1. Introduction:

What is amplitude? It is a simple word of nine letters that initially carries different meanings in different spheres. For us, however, it means the maneuver for change, for a better tomorrow. Amplitude is an internationally recognised non-profit charitable organization led by the youths of Bangladesh that strives to institute and ensure the fundamental rights of the People. We work toward our goal of eradicating discrimination as much as possible by providing sustainable solutions. Furthermore, our work also covers abolishing social taboos in order to have a better world around us.

Our sole purpose is to serve the betterment of the society and with a view to doing so we have taken many steps by far, one at a time.

Overall, **Amplitude is a non profit organization dedicated to eradicating Societal taboos and discrimination through sustainable solutions, diversity, equity and inclusion (DEI) and sharing privilege.**

2. History:

Founded in 2019 by Nafira Nayeem Ahmad, Amplitude has quickly become a driving force in the realm of social justice and equality. Our journey dates back to 2019, when we started out as a bunch of adolescents who visioned to bat out all the odds that constricted our path to building a fair society. Fast-forward to today, we can proudly affirm that we, as an organization of 35+ youth members and 1500+ volunteers, have made a remarkable impact on the scaling up of philanthropic activities along with the raising of awareness resolving societal stigmas with **100,000+ beneficiaries and several underprivileged schools that we have taken full responsibilities of.**

3. Core Values:

Amplitude is guided by the core values of **equality, anti-discrimination, breaking societal taboos, and sharing privilege.**

4. Core Team:

- Founder and President: Nafira Nayeem Ahmad (she/her)

- Community Partner, Brac Social Impact Lab
- Amplitude has gained significant recognition, including appearances on international news media like The daily mail, The London times, etc., national news channels like Jamuna Television and features in prominent newspapers like Prothom Alo, Ittefaq, Jugantor, The Front Page, and Cablgram.

6. Objectives and methodology:

- Amplitude's primary goals include **establishing and sustaining equality, fighting against discrimination, breaking societal taboos,** and **sharing privilege** to create a fair and just society.

- **Methodology of Amplitude**

Amplitude employs a dynamic, youth-driven approach to tackle societal challenges and ensure sustainable impact through the following steps:

1. *Needs Assessment*

Identify pressing societal issues through research, community engagement, and collaboration with partners.

Prioritize initiatives based on urgency, community needs, and available resources.

2. *Planning and Strategy Development*

Develop clear, actionable plans with defined objectives and timelines.

Assign responsibilities to team members and volunteers for efficient project execution.

3. *Community Engagement*

Involve local communities in planning and executing initiatives to ensure relevance and inclusivity.

Encourage open discussions to challenge societal taboos and promote awareness.

4. *Resource Mobilization*

Raise funds through innovative campaigns, events, and online platforms.

Secure grants and sponsorships from national and international organizations to support larger-scale projects.

Collect in-kind donations such as clothing, sanitary supplies, and educational materials.

5. *Awareness Campaigns*

Use workshops, public events, and social media to spread awareness and educate communities.

Collaborate with schools, corporations, and NGOs to expand reach.

6. *Implementation of Projects*

Execute initiatives with active participation from volunteers and beneficiaries.

Use creative approaches alongside generic fundraising such as art exhibitions, open mic nights, and podcasts to engage diverse audiences.

7. *Monitoring and Evaluation*

Track progress through regular monitoring and adjust strategies as needed.

Gather feedback from stakeholders to measure impact and identify areas for improvement.

8. *Sustainability and Scalability*

Focus on long-term solutions with a minimum of 365 days, such as providing resources for self-sufficiency within communities.

Scale successful projects to benefit more regions and demographics.

9. *Collaboration and Networking*

Partner with grant providers, sponsors, and like-minded organizations to enhance resources and knowledge-sharing.

Engage experts, influencers, and activists to amplify the impact of campaigns

10. *Reporting and Recognition*

Document and share project outcomes with stakeholders and the public to ensure transparency.

Leverage media coverage and recognition to inspire further participation and collaboration.

This methodology, combining grassroots efforts, grants, sponsorships, and innovative outreach, ensures Amplitude's work remains impactful, inclusive, and sustainable.

7. Partnership and Collaboration:

- Amplitude collaborates with several organizations and entities to further its mission, including but not limited to :

- Open Society University Network (OSUN)
- GHEA21
- The Diana Award
- Social Impact Lab, BracU
- Hope Bangladesh
- Radio Carnival
- Chaya
- Transport
- Project Debi
- Kuasha
- Vibgyor
- Bidyanondo
- Project Purple
- UCB Pathways at Monash
- UNRWA

8. Events

GALVANIZING 2019

Our first event, Galvanizing was a two-day based art exhibition hosted in Bangladesh Shilpakala Academy. Alongside many renowned artists, we also exhibited art of underprivileged children. Furthermore, we ended the nights with open mics where we exhibited the talents of many local artists. The revenue generated were used to buy art supplies to underprivileged students.

BENEVOLENCE (2019-present)

Our biggest project. As the December cold arrived, we approached the residents of Dhaka through the internet urging them to donate spare old winter clothes or monetary aid, motive being, distributing all the collections amongst the underprivileged who are forced to spend the entire winter on the streets in one piece of clothing. Benevolence 1 took place on the 31st of December, 2019 and the initiative being a huge success, we have now triumphantly pulled off benevolence 2, 3, 4 and 5 consecutively in the past four years.

PAINT IT RED (2021-2023)

Menstrual hygiene, yet another prevailing taboo in many places of country to this day. To combat this crucial predicament, Amplitude has carried out Paint It Red 1, 2 and 3 on the 8th of march every year since 2021. We have distributed financial aid, hygiene boxes including sanitary napkins, masks, sanitizers and medicines along with leaflets that educate individuals on safe sex, consent and menstruation, to needy families and local orphanages.

KHAIR (2021-present)

Living through the sufferings of the people deprived from every meal of the day every day, to be kind towards them and aiding them to have at least one meal to their heart's content is the lesson that lies in Ramadan. Since 2021, during the holy month of Ramadan, we do a month-long cumulating of donations with which we buy a month's worth of groceries and provide them for the destitute people in Dhaka.

BOOKSGIVING (2021-present)

Amplitude believes in the right to equality. Therefore, we introduced Booksgiving, a campaign for donating old books laying around in our houses to be replaced for school supplies alongside Bangladesh Education Board Book package for the disadvantaged children at the Rawshan Ara Bidya Niketan primary school, Choto Moni nibash, as well as other nearby schools in Mohammadpur since 2021. Since 2026, this effort has been scaled to the remote area of Rangamati, taking full responsibility of 1 underserved, unlicensed school in that area.

GOLPO O GAAN 2022

In July 2022, Amplitude and Project Purple collaborated for a fundraiser that had performances and speakers. The main goal here was to enlighten the audience about different persisting social taboos, and how to overcome or fight them. All the funds raised was used to help the flood victims of Sylhet.

Gaanদান (GaanDaan) 2023

This was an open mic event that took place in the month of March 2023. Local artists of different genres were promoted to come and showcase their talent and the money that was raised by selling tickets was saved for rehabilitating purposes in the future. Later, it was used to help victims of the Bongo Bazaar fire in 2023.

Funds for Bongobazaar 2023

Amplitude and Hope Bangladesh collaborated to raise funds and help Bidyanondo when a massive fire outbreak caused thousands of people to lose their jobs and livelihood. The Bongo Bazar fire tragedy affected thousands and this was Team Amplitude's attempt to make things a little better. Amplitude effectively helped by providing rehabilitation support to the ones affected by the fire.

THE SOCIAL DILEMMA 2023

Team Amplitude collaborated with Radio Carnival for a podcast that brought new up and coming artists from different backgrounds and genre, together to talk about issues and stigmas they face related to their lives and art. The Social Dilemma had a total of four episodes, each aired weekly from mid March to mid April 2023.

Pinktober workshops 2021- present

Amplitude has hosted multiple workshops on the Importance of pinktober, or breast campus awareness months through infographics and workshops. One of these workshops were held in scholastica, Uttara where the students were engaged in various important discussion as they learned about breast cancer awareness.

THE QUOTA REFORM MOVEMENT 2024

Members of Amplitude have actively taken Part in the quota reform movement in Bangladesh started in July 2024. Furthermore, infographics on updates during the protest followed by fundraisers for the ones protesting, injured, or relevant were implemented.

After the Abolition of the fascist regime, Team Amplitude and its volunteers took over the streets of Dhanmondi from 7th to 11th August. The walls were adorned with stunning murals and slogans that kept the fire of revolution alive in the hearts of our people. They distributed food and water, utilising the funds received for the cause, along with controlling the traffic in the streets to ease the mobility of vehicles. A clean up was also conducted in 9 different areas of Dhaka city.

Funds for flood victims of Feni and Khagrachari 2024

Team Amplitude raised 87,770+ bdt, for Feni and 110,284+ bdt for Khagrachari; two most affected regions during the fatal floods of August 2024. Alongside that, the team also collected 2500 packages of Sanitary

Napkins and over 1500 big cartons of clothes for the victims. The donations were personally handed out to the flood victims by the team and it's volunteers.

OSUN X SIL X AMPLITUDE: Men's Mental Health Seminar 2024

This collaborative seminar by OSUN, SIL, and Amplitude aimed to raise awareness about men's mental health, address stigmas, and foster open conversations. Through expert-led discussions and interactive sessions, the event seeked to empower individuals to prioritize mental well-being and support one another. Above all, it helped to open doors to more fruitful conversations revolving around the stigma of Men's mental health.

KORAIL FIRE REHABILITATION 2026

In 2026, a devastating fire impacted the Korail slum, displacing hundreds of families and severely affecting local schools. Team Amplitude swiftly mobilized to provide immediate and long-term relief. We assisted 200 families, each with 2-6 members, in rehabilitating their homes, supplying essentials such as furniture, bedding, cooking equipment, and hygiene kits. Additionally, we provided support to three local schools, ensuring continuity of education by supplying learning materials, furniture, and teaching aids.

Through a combination of direct aid, volunteer support, and partner collaboration, this initiative restored safety and stability for affected families while strengthening educational infrastructure in the community. The project reflects Amplitude's commitment to addressing urgent social needs with sustainable, community-centered solution
